No Thanks To You

Asia Cruise

Tell me have you ever felt like quitting (oohh)
When it seems like everybody else just keeps on winning,
And I gave my heart to you and what did you do?
You threw it on the ground (yeahh)
And now that I'm doin fine,
You wanna try and come back around
Don't waste my time
Don't try to act like you care
when you weren't there, when I needed you
Wanna throw my hands in the air, say I don't care
Caz i'm much better now,
No thanks to you, you, you (x4)
No thanks to you
I remember the day you left and how you said nothing
Were you saying that I just accept it
Well I did and now i'm over it (yeahh)
And I gave my heart to you and what did you do?
threw it on the ground (yeah)
And now that i'm doin fine (now that i'm doin fine)

You wanna try and come back around
Baby(don't) don't try to act like you care
When you weren't there (no,no) when I needed you
Wanna throw my hands in the air and say,
say I don't care, that I don't really care about you
Caz i'm much better now (oh no)
No thanks to you, you, you (x4)
No thanks to you
Can you, blame me for keepin on my head bowed down
Now that you're telling me you think I should change
Caz you came back up (oh)
But i'm smarter than an average
Baby i'm not havin it, I don't wanna play this game so,
Don't try to act like you care,
When you weren't there when I needed you
Wanna throw my hands in the air(I really wanna)
Say I don't care caz i'm much better now (much better now)
No thanks to you, you, you (x4)
No thanks to you
