(It's Good) To Be Free

Oasis

Head like a rock, spinning round and round
I found it in a hole, sitting upside down
You point the finger at me but I don't believePaint me a wish on a velvet sky
You demand the answers but I don't know why
In my mind there is no timeBut the little things, they make me so happy
All I want to do is live by the sea
Yeah, little things, they make me so happy
But it's good, yes it's good, it's good to be freeSo what would you say if I said to you
It's not in what you say, it's in what you do
You point the finger at me but I don't believeBring it on home to where we found
My head is like a rock, sitting upside down
In my mind, there is no timeBut the little things, they make me so happy
All I want to do is live by the sea
Yeah, little things, they make me so happy
But it's good, yes it's good, it's good to be free
Yeah, it's good, yes it's good, it's good to be free
