

Lift Your Head Weary Sinner (Chains)

Crowder

Lift your head weary sinner the riverâ€™s just ahead
Down the path of forgiveness salvationâ€™s waiting there
You built a mighty fortress 10,000 burdens high
Love is here to lift you up, here to lift you high

If youâ€™re lost and wandering
Come stumbling in like a prodigal child
See the walls start crumbling
Let the gates of glory open wide

All whoâ€™ve strayed and walked away, unspeakable things youâ€™ve done
Fix your eyes on the mountain, let the past be dead and gone
Come all saints and sinners, you canâ€™t outrun God
Whatever youâ€™ve done canâ€™t overcome the power of the blood

If youâ€™re lost and wrecked again
Come stumbling in like a prodigal child
See the walls start crumbling
Let the gates of glory be open wide
