Rated X

Neko Case

Well if you've been a married woman And things didn't seem to work out Well divorce is the key to bein' loose and free So you're gonna be talked aboutEverybody knows that you've loved once And they think you'll love again You can't have a male friend If you're a has been or a woman, rated XWell if you're rated X you're some kind Of gold even men turning silver try to make But I think it's wrong to judge every picture If a cheap camera makes a mistakeAnd when your best friend's husband says To you you've sure started lookin' good You should've known he would and he would If he could and he will if you're rated XWell nobody knows where you're goin' But they sure know where you've been And all their thinking of is your experience of love All their minds eat up with sinThe women all look at you like You're bad and the men all hope you are But if you go too far you're gonna Wear the scar of a woman rated XWell if you're rated X you're some kind Of gold even men turning silver try to make But I think it's wrong to judge every picture If a cheap camera makes a mistakeAnd when your best friend's husband says To you, you've sure started looking good You should've known he would and he would If he could and he will if you're rated X You should've known he would and he would
