

Hear Me Now (Dri, Lind & Lukka Extended Mix)

Steed Lord

for what it's worth
my love for you
wont help us
through the bad times
 come with me
 just try to breathe
 my trust in you
 wont help us
through the good timesanother failure
 another heartache
 why can't we just be
the ones we were before this
 somebody's crying
 somebody's lying
can you just give in for love
so for what it's worth
 my love for you
 wont help us
through the bad times
 come with me
 just try to breathe
 my trust in you
 wont help us
through the good timeswhere are you going?
what will you find there?
truth can't be disguised
your mask wont hide the meaning
 somebody's crying
 somebody's lying
cant you just give in
 for love
for what it's worth
 my trust in you
 wont help us
through for what it's worth
 my trust in you
 wont help us
through come with me
 try to breathe

trust in you
help us
through the good times
