I Believe in You

Don Williams

I don't believe in superstars
Organic food and foreign cars
I don't believe the price of gold
The certainty of growing oldThat right is right and left is wrong
That north and south can't get along
That east is east and west is west
And being first is always bestBut I believe in love
I believe in babies
I believe in Mom and Dad
And I believe in youWell, I don't believe that heaven waits
For only those who congregate
I like to think of God as love
He's down below, he's up aboveHe's watching people everywhere
He knows who does and doesn't care
And I'm an ordinary man
Sometimes I wonder who I amBut I believe in love
I believe in music
I believe in magic
And I believe in youI know with all my certainty
What's goin' on with you and me
Is a good thing
It's true, I believe in youI don't believe virginity
Is as common as it used to be
In working days and sleeping nights
That black is black and white is whiteThat Superman and Robin Hood
Are still alive in Hollywood
That gasoline's in short supply
The rising cost of getting byBut I believe in love
I believe in old folks
I believe in children
I believe in youI believe in love
I believe in babies
I believe in Mom and Dad
And I believe in you
