Goon

Brett

My heart is made of glass
I wish I had a choice
Nothing can buy tomorrow
Thinking about your voice
We're shadows
Shadows in the night
Fire
Fire the dark
Desire
Desire
Will you say you love me
Will you just runaway
If you say you love me
Glass hearts will never break
What's That Line?
I'm shattered in your arms
I don't know how to speak
There's nothing left that's sweeter
There's nothing left for me
Destroyers
Destroyers in the night
The fire
The fire in the heart
Were echoes
Echoes in the dark
Desire
Desire
Will you say you love me
Will you just runaway
If you say you love me
Glass hearts will never break X2
Glass hearts
Glass hearts
Will you say you love me
Will you just runaway
If you say you love me
Glass hearts will never break x2
