

Silhouette

[Ali Campbell](#)

Took a walk and passed your house late last night
All the shades were pulled and drawn way down tight
From within, the dim light cast two silhouettes on the shade
Oh what a lovely couple they made silhouette silhouette silhouette Put his arms around your waist, held you tight
Kisses I could almost taste in the night
Wondered why I'm not the guy whose silhouette's on the shade
I couldn't hide the tears in my eye silhouette silhouette silhouette Lost control and rang your bell, I was sore
Let me in or else I'll beat down your door
When two strangers who have been two silhouettes on the shade
Said to my shock, "You're on the wrong block" silhouette silhouette silhouette Rushed out to your house with
wings on my feet
Loved you like I'd never loved you, my sweet
Vowed that you and I would be two silhouettes on the shade
All of our days, two silhouettes on the shade silhouette silhouette silhouette
silhouette silhouette silhouette
