I'm Not Calling You A Liar

Florence + The Machine

I'm not calling you a liar,
Just don't lie to me.
I'm not calling you a thief,
Just don't steal from me,
I'm not calling you a ghost,
Just stop haunting me,
And I love you so much,
I'm gonna let you,
Kill me.

There's a ghost in my lungs
And it sighs in my sleep,
Wraps itself around my tongue,
As it softly speaks
Then it walks, then it walks with my legs

To fall,
To fall,
To fall, at your feet.
Oh but for the grace of god go on,
And when you kiss me, I'm happy enough to die.

I'm not calling you a liar,
Just don't lie to me.
And I love you so much,
I'm gonna let you
I'm not calling you a thief,
Just don't,
And I love you so much,
I'm gonna let you,
Oh,
I'm not calling you a ghost,
Just don't

There's a ghost in my mouth
And it talks in my sleep,
Wraps itself around my tongue,
As it softly speaks
Then it walks, then it walks

Then it walks with my legs

To fall,
To fall,
To fall,
To fall,
To fall,
To fall, at your feet.
Oh but for the grace of god go on,
And when you kiss me, I'm happy enough
