

# Diamond Cowboy

Corey Hart

Hey listen mister, are you the diamond cowboy?  
You the golden hero we've been waitin' for?  
Hey listen mister, let me introduce you to  
The magic carpet trick for every troubadour

We got the prophets weaving with the future  
We got the "second-handers" suckin' your thumb  
So, lay down your virtues gently to the devil  
Hey lucky pilgrim, all your travels are done

[Chorus]

Blast, off time on the bandwagon  
Ride the rocket engine till you blow your mind  
Decision time here on the bandwagon  
How much your precious soul  
You want to leave behind?  
Hey

We got the painters  
And we've got the preachers  
We got the idol maker's buildin' your shrine  
And pretty women decorate your ego  
From sour grape, we always bring you sweet wine  
He listen mister, are you the diamond cowboy?  
You the golden hero we've been waitin' for?

[Chorus]

Like an emperor the sea is parted  
As you walk unto the shore  
Like a sword that will not cut you  
Till you're bleeding from the core, hey, hey  
Are you the diamond cowboy?

Hey what's the trouble?  
Why do you look tormented?  
Just polish the jewel until it shines no more  
Comes a horseman, who thinks he rides forever  
Goes a fool like none other before?

Blast, off time on the bandwagon  
Ride the steamroller like a rodeo  
It's glory time here on the bandwagon  
Starring diamond cowboys, it's a hell of a show  
Kick-off time on the bandwagon  
Ride the rocket engine till you blow your mind  
Decision time here on the bandwagon  
How much your precious soul  
You want to leave behind?

I said hey listen mister, are you the diamond cowboy?  
You the golden hero we've been waitin' for?  
Diamond cowboy
