

# Here You Come Again

[Clay Aiken](#)

Here you come again  
Just when I've begun to get myself together  
You waltz right in the door just like you've done before  
And wrap my heart 'round your little finger Here you come again  
Just when I'm about to make it work without you  
You look into my eyes and lie those pretty lies  
And pretty soon I'm wonderin' how I came to doubt you All you gotta do is smile that smile  
And there go all my defenses  
Just leave it up to you and in a little while  
You're messin' up my mind and fillin' up my senses Here you come again  
Lookin' better than a body has a right to  
And shakin' me up so that all I really know  
Is here you come again and here I go, here I go  
Here I go All you gotta do is smile that smile  
And there go all my defenses  
Just leave it up to you and in a little while  
You're messin' up my mind and fillin' up my senses Here you come again  
Ohh, lookin' better than a body has a right to  
And shakin' me up so that all I really know  
Is here you come again and here I go  
Here I go, here I go Here you come again, here I go  
Here I go, here I go
