

# Back It Up (Alison Wonderland x AWE)

## Alison Wonderland

Look right here and give me a smile  
Cos I can't be bothered when you're taking a while  
Sitting and waiting's not my style  
When a guy like you gets on my file Back it up I don't care if it's right or wrong  
If I walk away when you take too long  
All I want from you is just one thing  
I don't need no fucking ring Back it up
