The Script for My Requiem

Blind Guardian

Hallowed be the fatherland, God he knows
How long I'd been away, from here I did start
For a search so full of decease
I still hear my cry outs from the old cellar's insideBorn in the days of medieval
My inner voice is alway asking whyI came from nowhere
Without a task, without a name
No fear of evil fate
So God please lead me throughForgotten realms, mysterious dreams
In sunless rooms I'd sworn
I'll finish what I started, once
I'll find my holy grail in the holy landReturning of the miracles
It's my own requiem
The jester's tears, they are inside me
Agony's the script for my requiemReturning of the miracles
It's my own requiem
Is the script already written
Jester's tears I cry, yes, I cryI went out of my mind in desert lands
Insanity's pawn out of control
Much too long, I've been isolated
From my thoughts enclosed by the leader's spell
Bewildered to Marc as a glory knight and I triedStill I hear the scream of thousands
"Crucify, crucify take it all
Our gold, our home, our life
But we didn't kill your Christ
Reach out for your holy grail
Enslave us and make us your God's sacrifice"Returning of the miracles
It's my own requiem
The jester's tears, they are inside me
Agony's the script for my requiemStill I'm confused if I was dreaming
Too late I realized I'd been another fool
I pay the priceReturning of the miracles it's my own requiem
The jester's tears they are inside me
Agony's the script for my requiem
Returning of the miracles it's my own requiem
Is the script already written jester's tears I cry
