

# Are You Ready?

## Rollins Band

Are you ready to rock?  
Are you ready to rip it up?  
Do you know what I'm talking about?  
Are you ready to give it up? Are you ready to dance?  
Are you ready to hit the floor?  
Are you ready? Are you ready?  
'Cause if you're ready, I'm ready man Are you ready to shake it up?  
Are you ready to tear it down?  
Are you ready to rip it up?  
Do you think, I'm messing around? Are you ready to rock?  
Are you ready to hit the floor?  
Are you ready? Are you ready?  
So if you're ready, I'm ready, yeah Are you ready to rip it up?  
Are you ready to tear it down?  
Are you ready to dance about?  
Now you've finished messing around Are you ready to rock?  
Are you ready to hit the floor?  
Are you ready? Are you ready?  
So if you're ready, I'm ready
