

# Think for Yourself

George Harrison

I've got a word or two  
To say about the things that you do  
You're telling all those lies  
About the good things  
That we can have if we close our eyes  
Do what you want to do  
And go where you're going  
To think for yourself  
'Cause I won't be there with you  
I left you far behind  
The ruins of the life that you have in mind  
And though you still can't see  
I know your mind's made up  
You're gonna cause more misery  
Do what you want to do  
And go where you're going  
To think for yourself  
'Cause I won't be there with you  
Although your mind's opaque  
Try thinking more if just for your own sake  
The future still looks good  
And you've got time to rectify  
All the things that you should  
Do what you want to do  
And go where you're going  
To think for yourself  
'Cause I won't be there with you  
Do what you want to do  
And go where you're going  
To think for yourself  
'Cause I won't be there with you  
Think for yourself  
'Cause I won't be there with you
