Nothing to Lose

Michael Learns to Rock

There are times when you make me laugh
There are moments when you drive me mad
There are seconds when I see the light
Though many times you made me cryThere's something you don't understand
I want to be your manNothing to lose, your love to win
Hoping so bad that you'll let me in
I'm at your feet, waiting for you
I've got time and nothing to loseThere are times when I believe in you
These moments when I feel close to you
There are times I think that I am yours
Though many times I feel unsureThere's something you don't understand
I want to be your manNothing to lose, your love to win
Hoping so bad that you'll let me in
I'm at your feet, waiting for you
I've got time and nothing to loseI'll always be around you, keep an eye on you
Always keep an eye on you
'Cause my patience is strong
And I won't let you run, you are the only one
When you are the only oneNothing to lose, your love to win
Hoping so bad that you'll let me in
I'm at your feet, waiting for you
I've got time and nothing to lose
Oh yeah, I've got time and nothing to lose
