Heavenly

Vacationer

Gone up waving an open arm
Have to wait it out but keeping it your my mind
What it means to me it's always been worth the while
All you grown up building it up beyondNeed to see you (soon, soon)
Need to see you againCame on to breathe a new way of life
You had to leave and me can't always meet you right
Soon we will again riding around the bend
Light up come on building it up beyondNeed to see you (soon, soon)
Need to see you again (and again, and again)
Need to see you (soon, soon)
Need to see you againHeavenly wonder gorgeousness overcame my thoughts
Still growing fonder of one another in the moment and beyond
Need to see you (soon, soon)
Need to see you again (and again, and again)
Need to see you (soon, soon)
Need to see you again
