

# La La La Lies

**Pete Townshend**

If I'm so lost without a friend  
Tell me, who's this by my side?  
This girl with eyes like gems  
And cool reactions to your lies  
Lies, la la la la la la lies You can't repeat what you put 'round  
All the things that made me cry  
You kicked me when I was down  
And they hurt me all those lies  
Lies, la la la la la la lies I've got my girl  
And together we're strong  
To laugh at you  
And prove you wrong I don't insist that you feel bad  
I just want to make you smile  
Don't ever think you made me mad  
I didn't listen to your lies If I'm so lost without a friend  
Tell me, who's this by my side?  
This girl with eyes like gems  
And cool reactions to your lies  
Lies, la la la la la la lies I don't insist that you feel bad  
I just want to make you smile  
Don't ever think you made me mad  
I didn't listen to your lies
