

Maria

Guano Apes

Maria yeah, Maria yeah, Maria yeah
Maria yeah, Maria yeah, Maria yeah Raw muscles in you
And you kill for the thrill to get into this
Might not be sure
To get into the sin for the human race Maria yeah, Maria yeah, Maria yeah Raw muscles in you
And you kiss for the thrill to get into this
Might not be sure
To get into the sin for the human race Give it up and give up
Give it up and give up
Give it up and give up
Oh no I'll give it up Give it up and give up
Give it up and give up
Give it up and give up
When I give up yeah Raw muscles in you
And you kiss for the thrill to get into this
Might not be sure
To get into the sin for the human race Give it up and give up
Give it up and give up
Give it up and give up
Oh no I'll give it up Give it up and give up
Give it up and give up
Give it up and give up
Oh no I'll give it up Give it up and give up
Give it up and give up
Give it up and give up
Oh no I'll give it up Give it up and give up
Give it up and give up
Give it up and give up
When I give up yeah Raw muscles in you
And you kill for the thrill to get into this
Might not be sure
To get into the sin for the human race Raw muscles in you
And you kiss and you kiss and you kiss and you kiss
Might not be sure
And you kill and you kiss for the human race
