Nightwish

1 Ermaajrvi

Kautta ermaajrven
matkaa kulkuri yksininen
Nkee lammella joutsenparven
vapauttaan itkevn
Kaipuu menneisyyden
kiirii ilmassa huutoina kotkien
Ikijrvelt turvatuulta
ky matka vuorten taa

2 Witchdrums

3 This Moment is Eternity
Day posesses no key here
where moon sheds the cold twilight
This moment is eternity
Land of beauty,
cold and cruel
Fjeld chants echoing,
reflecting the melancholy...
Trust the wind
Trust the fires
Call for the hermit of the night
Land of raven and bear
Land of eagle and wolverine
Dismal are the mirrors of a wolf

4 Etiinen
