

Crash World (OST 'D~Ñ•Ñ,Đ¾Ñ€Đ,Ñ• Đ•Đ¾Đ»ÑfÑ

Hilary Duff

Crash, that was you and me
It started out so innocently
Shattered on the ground, I hear the sound
Crash, ringing in my ears
I still feel the sting of my tears
Someone, wake me, I can't seem to break freeGo on, get outta my head
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumblin' in the dark, livin' in a crash worldHush, don't say one more word
At this point the truth seems absurd
'Cause who we were is gone forever
Crushed underneath the fears
Everything's so twisted and weird
Someone, save me, I can't seem to break freeGo on, get outta my head (outta my head)
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumbling in the dark, livin' in a crash worldCrash world, yeah yeah
Slow motion, devastation
Should'a seen it comin' but I couldn't do nothin'
Emotion, desperation
Someone, save me, I can't seem to break free
(On the wrong side of a parallel universe)Go on, get outta my head (outta my head)
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumbling in the dark, livin' in a crash worldGo on, get outta my head (outta my head)
I'm on the wrong side of a parallel universe
Am I alive or just dead
I've been stumbling in the dark, livin' in a crash worldCrash world, yeah yeah
Crash world
