

Foolish Beat (Instrumental Version)

Debbie Gibson

There was a time when broken hearts and broken dreams were over
There was a place, where all you could do was wish on a four leaf clover
But now is a new time, there is a new place, where dreams
Just can't come true, it started the day when I left you, oh I could never love again the way I loved you
Oh, I could never cry again like I did when I left you
And when we said goodbye, oh, the look in your eyes
Just left me beside myself without your heart
(Without your heart)
I could never love again now that we're apart Oh, when I was sorry it was too late to turn around
(Turn around)
And tell you so, there was no reason, there was no reason
Just a foolish beat of my heart I could never love again the way I loved you
I could never cry again like I did when I left you
And when we said goodbye, oh, the look in your eyes
Just left me beside myself without your heart
(Without your heart)
I could never love again now that we're apart Oh, can't you see I'm not fooling nobody?
Don't you see the tears are falling down my face since you went away?
Break my heart, you slipped away, didn't know I was wrong
Never meant to hurt you now you're gone I could never love again now that we're apart
(Now that we're apart)
I could never love again now that we're apart
