

Apparent Disaster (rivet Mix)

The Strand

taken hearts affiliate. swig of glory's pride.
tackle sinful past desire torn from children's eyes.
current solitude represents. repress that crooked smile.
hint of garden in the air. sacrifice your pseudo smile.

apparent disaster!
go go go!
apparent disaster!
go go go!

-red neck, white knuckles, blue collared, collard greens,
-the light has changed, step up to the curb,
-head on face long, side my side and step in step,
-blue blood country club, captain of the team,
-bouffant debutante, our eyes meet.

apparent disaster!
go go go!
apparent disaster!
go go go!
