Show Me

Jessica Sutta

Say say what you wanna say say
Tell it to me every day day
But if you don't show me
Words words all they are is words words
Stupid poetry and verse verse do you even know me
That first thing that I saw in your eyes
Did you mean, was it only lies, only lies,
bout, bout have you ever thought
About how this is supposed to go. Yeah
do do you know, do you Ohhh...(Chorus)
Love is not a gimme gimme,
If you really with me you gotta
Show me, show me
Show me, show me
Tell it to me with your mouth
But when it all comes down
You gotta show me show me
Show me, show me
you can say it feels right say it to me all night
I don't think you'll understand
Love is not a gimmie gimmie
If you really with me you gotta show me
Show me, show me
Show me love (x2)Eyes eyes open up your eyes
Don't hide what you got inside side
If you wanna know me
Hey hey I'm not gonna stay stay
Kick it with you night and day day
No if you don't show me
Everything hidden in your heart
All your fears every single part, single part
bout, bout have you ever thought
About how this is supposed to go Yeah
do do you know, do you Ohhh...(Chorus)
Love is not a gimme gimme,
If you really with me you gotta
Show me, show me
Show me, show me
Tell it to me with your mouth

But when it all comes down
You gotta show me show me
Show me, show me
you can say it feels right say it to me all night
I don't think you'll understand
Love is not a gimmie gimmie
If you really with me you gotta show me
Show me, show me
Show me love (x4)Everything you got is everything you need...Everything you want is inside of me...Chorus:Love is not a gimme gimme,
If you really with me you gotta
Show me, show me yeah yeah yeah
Tell it to me with your mouth
But when it all comes down
You gotta show me show me
Show me, show me
you can say it feels right say it to me all night
I don't think you'll understand
Love is not a gimmie gimmie
If you really with me you gotta show me
Show me, show me
Show me love (x6)
