

# Liquidation

## Sodom

They penetrate your skin  
No more vitalities  
Feeding your mind with fear  
Smell of death is coming near  
Squeezing out your blood  
Life dragging through the mud  
Dissection of your brain  
Pumpin' up the leadThe suffocate my flame of life  
Ceremonial desecration  
Death is now so close to me  
LiquidationThe sound of ripping fleash  
No chance for your defense  
Languishing hungry guns  
Return the hellish sacred flame  
Unyielding hateful wrath  
No confidence in god  
Another breed behind  
They'll leave you where the others lieThe suffocate my flame of life  
Ceremonial desecration  
Death is now so close to me  
LiquidationIncapability  
Escape your destiny  
The rhythm of your heart  
No more salvation to go on  
Trapped in an icecold blaze  
Your carcass starts to mate  
Love finds a graceful end  
The devil incarnatesThe suffocate my flame of life  
Ceremonial desecration  
Death is now so close to me  
Liquidation
