

Handle

Nerina Pallot

It's a funny world - I can't get a handle on it.
And the moment I try, I fail.
Such a stupid thing, living is a strange disease.
It don't make no sense
Makes no sense at all. Honestly, give me a sign or prophecy.
Honestly.
Tell me things are gonna get better
Tell me things are gonna get better
Tell me things are gonna get better
Just tell me things.
It's a funny world - I can't get a handle on you.
And when I try you up and change your mind.
Good intentions - it's a road to nowhere
And I'm stumbling, stumbling on.
Honestly, give me a sign or prophecy.
Give me a sign please.
Tell me things are gonna get better
Just tell me things are gonna get better
Tell me things are gonna get better
Just tell me things are gonna get better
Gonna get better, gonna get better, gonna get better, gonna get better
Just tell me things.
Gonna get better, gonna get better, gonna get better
It's a funny world - I can't get a handle on it.
And the moment I try, I fail
