

Slaughtering Void

Krisiun

Twilightful reaping winds
Blowing soul's execution
Ethereal massacre, sacrifice beyond
Perpetual fiery, slaughtering void
Embrace the wanderer to be reborn in pain
Ghost enslaved procession, march to blackness
Inferno fiercely calls, summoning pestilence
Decayed creatures, sworn to descend
As the fallen earth awaits
Entangled in firestorms, plagued spirits
Transcending the pain of flagellation
Abyssal journey, sons of twilight
Embraced by the scourge of creation
Worm's spectres, cast in abominations
Eternal sacrificila curse
Worm's spectres, cast in abominations
Eternal sacrificila curse
Eminant decay, rebirth of scourge
Darkened as dead, eternity remains
Hordes of the covenant of the season of doom
Burn the purity to be purified again
