In Love With You Forever

Elliott Yamin

I'm gonna mind what my momma once told me
Don't fall in love if you can't fall all the way
She said go find yourself a dream girl
Give her every part of your worldJust hold on tight and never let her slip away
And when I saw you that rainy night in Cleveland
You lit me up like the sun lights up the moon
And that feeling I felt then, every day it comes againYeah, it fills my heart completely
You mean everything to meAnd I'm in love with you forever
I'm in love with you forever
I'm in love with you forever till I die
We're always going to be togetherI'm never gonna leave you, never
I'm in love with you forever till I die
Rain or shine
I am yours, you are mineMy mind don't change with the weather
It will stand through the wind and the hurricanes
All around we can see love ain't all it used to be
But that just makes my heart grow stronger
It just makes my love last longerAnd I'm in love with you forever
I'm in love with you forever
I'm in love with you forever till I die
We're always going to be togetherI'm never gonna leave you, never
I'm in love with you forever till I die
Rain or shine
I am yours, you are mineAnd you are mine, yeah
'Cause you are mine, oh yeah
I said you are mine, ohhhAnd I'm in love with you forever
I'm in love with you forever
I'm in love with you forever till I die
We're always going to be togetherI'm never gonna leave you, never
I'm in love with you forever till I die
And I'm in love with you forever
I'm in love with you forever
I'm in love with you forever till I dieI'm never gonna leave you, never
Always going to be together
I'm in love with you forever till I die
Rain or shine
I am yours, you are mineYou are mine, you are mine
You are mine, you are mine
You are mine, you are mine
