# Heart Surgery Isn't That Bad...

## Jeffree Star

Jeffree laughs =)
I dont think
I don't think you're ready for this..
Here we go..
Pink diamonds shining
Fuschia lust
Heart-shaped bruises
For both of us
You see me watching
The lights are low
Your body's waiting
You can't say no
[pre chorus:] [x2]Let me show you how it works..
(Lets get out of here)
Let me show you how it works, I like it hard..
[CHORUS:]Come on.. Let's get out of here
I wanna take your hand and disappear
Come on.. Let's get out of here
I whisper in your ear.. "I wanna..."
You like it fast..
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard
Fag!
Bitch!
Mirrors are breaking
Vanity crush
Perfection climbing
All eyes on us
We both stop breathing
The music fades

Hands start touching
Don't be afraid..
[pre chorus] [x2]Let me show you how it works..
(Lets get out of here)
Let me show you how it works, I like it hard..

[CHORUS]Come on.. Let's get out of here
I wanna take your hand and disappear
Come on.. Let's get out of here
I whisper in your ear.. "I wanna..."
You like it fast..
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard
You like it fast
I like it [scream] hard
You like it fast..
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard
You like it fast
I like it hard
[pre chorus] [x2]Let me show you how it works..
(Lets get out of here)
Let me show you how it works, I like it hard..
[CHORUS]Come on.. Let's get out of here
I wanna take your hand and disappear
Come on.. Let's get out of here
I whisper in your ear.. "I wanna..."
Uh.....I Like It Hard.....Uh.....I Like It Hard.....Uhhh
