Millencolin

Another fairytale about these endless feelings
And when it's heating up, I think, I'm stuck forever
I try to lose some weight, I try to get in shape
But in the end, I always end up lost inside myself
Up and down gets nothing done
No, I just keep on waitin'
Round and round out with the thumb
No, I just keep on waitin'
Twelve numbers stare at me, sometimes it's not that easy
Instead of wakin' up, I think, I'll sleep forever
What happened to the day routines that always kept me goin'?
Where the hell are all the dreams I had about my life?
Up and down gets nothing done
No, I just keep on waitin'
Round and round out with the thumb
No, I just keep on waitin'
I just keep on waitin' now, someday I'll get the time
To get me back on the right track and no more slack
Got to keep an open mind, I get it out of this daily grind
And deep inside I know I will
That's how it is
