Girl Of The Year

Fm Static

I met this girl who likes her heavy metal
She gets excited when slipknot plays on
Leno she's a heck of a girl with no cares in
The world and she likes it that way
She wears black socks with pink stripes in
'Em and she swears that her friend goes
Out with Richard Simmons she's a one of a
Kind I can't get off my mind and I like it that way
And if you listen closely you will hear then say
Stand clear she's the girl of the year and
There's no use in trying to get her off my
Mind she stole my heart and she's tearing
It apart it's never gonna be the same
She's a love potion that plays with your
Emotions a big swimmer that won't go
Near the ocean and if everything's fine
She'll get to work on time and they like her hat way
She wears black socks with pink stripes in
'Em and she swears that her friend goes
Out with Richard Simmons she's a one of a
Kind I can't get off my mind and I like it that way
And if you listen closely you will hear then say

Stand clear she's the girl of the year and
There's no use in trying to get her off my
Mind she stole my heart and she's tearing
It apart it's never gonna be the same
And now I'm taping myself together
I'm taping myself together again now
I'm taping myself together
I'm taping myself together again
And I won't let this happen again ey-eh,
Hey-eh, ey-e-yeah-e-yeah-eh, eh-eh, hey-eh
Ey-e-yeah-e-yeah-eh
Hey, hey, together again and, again and
Again and together, again and, again and
Again and again
Stand clear she's the girl of the year and
There's no use in trying to get her off my mind

She stole my heart and she's tearing it
Apart she stole my heart and she's tearing
It apart she stole my heart
And she's tearing it apart she stole my heart
And she's tearing it apart now
It's never gonna be the same
