Mary, Mary Lou

Sam Cooke

Mary, Mary Lou
Why must you do
The things that you always doHoney, I've been here a-crying
Sipping and a-sighing
To think it's all because of youI know the other night you told me
You were gonna marry
Someone who's in love with you, yeah
And the time I used to
Be your golden rooster
But now I can see that we are throughMary, Mary, Mary Lou
What in the world is the matter with you
You're always doing me so wrongMary, Mary, Mary Lou
What in the world is the matter with you
And know you want to say so longMary, Mary Lou
Why must you do
Those things that you always doI can hear a-crying
Sipping and a-sighing
To think it's all because of youYou were gonna marry
Someone who's in love with you, yeah
And the time I used to
Be your golden rooster
But now I can see that we are throughMary, Mary, Mary Lou
What in the world is the matter with you
You're always doing me so wrongMary, Mary, Mary Lou
What in the world is the matter with you
And knew you want to say so longMary, Mary, Mary Lou
What in the world is the matter with you
Mary, Mary, Mary Lou
What in the world is the matter with you
