

One By One

Laza Morgan

(Ladies)

Wooh woohhh

Girl put yuh body on me

(Woohhh woohhh) (Yeahh)

Verse 1:

Baby girl yuh look so good tonite, good tonite, good tonite seeing you dance and the flashin lights, flashin lights, flashin lights

Dancefloor packed full of people(people)

Yuh and I in the middle

And the DJ is playing our favourite songs

Chorus:

One by one

I'm feeling your heartbeat

Pulling mi closer closer

One by one

With every touch I'm feeling it stronger, stronger

One by one

i Believe you and me

We're falling in love

With all the faces are fading around us

(One by one)

Woohhh Wohohhh, one by one, wooh woohh(girl put u body on me)

Verse 2:

Baby when we leave this club tonite, club tonite, club tonite

I wanna see your face in the morning light, morning light, morning light

How you feel do you wanna refill or do you just wanna stay right here

While the dj playing our favorite songs

Chorus:

One by one

I'm feeling your heartbeat

Pulling mi closer closer

One by one

With every touch I'm feeling it stronger, stronger

One by one

i Believe you and me

We're falling in love

With all the faces are fading around us

(One by one)

Verse 3:

Girl I'm gonna mek u wet
Till u can wet no more(lady)
I'm a gotta mek u feel my lovin on the floor(weh wi seh)
She feel di sweetest pain
She a see har likkle boyfriend lame
So she want a real man tek har pon a tour
Yes, let right to di east to di mansion
You've been, waiting for my long long
So mi play our favourite song(everytime)

Chorus:

One by one
I'm feeling your heartbeat
Pulling mi closer closer
One by one
With every touch I'm feeling it stronger, stronger
One by one
Believe you and me
We're falling in love
With all the faces are fading around us
(One by one)
Woohhh Wohohhh, one by one, wooh woohh(girl put u body on me)
