## Eluveitie

Bodiacos  
Sunartiu  
Segos brigos  
Anauos(Victorious  
by the good-force  
vigorous, mighty  
spirited)From autumnos the life-giving winds  
Fanned the flames into a blaze  
The awen of the mightyBy the force of sucellus sledge  
By every impact of ogmios club  
With bricta's invincible epiphanyA tribe arose  
A tribe broke forth'Cause we're born free  
'Cause we're born wild  
'Cause we are indomitable and bold  
'Cause we are fire (brave)  
'Cause we are wave (strong)  
'Cause we are rock (tribe)  
We are one - we are helvetiosThe ears tethered to the divine tongue  
Following the ancient wise  
As laughter fills autumnosDrinking from the cup of life  
The well that's never running dry  
We wandered into the light of dayAgain taranis enthean wheel revolved  
From autumnos life was upheavedBy the force of succellus sledge  
By every impact of ogmios' club  
With bricta's invincible epiphany
