What Took You So Long

Emma Bunton

Yeah, yeah, yeahOh, talk to me, can't you see

I'll help you work things out?

Oh, don't wanna be your enemy

And I don't want to scream and shout'Cos, baby, I believe in honesty

And then be strong and true

I shouldn't have to say now, baby

That I believe in youWhat took you so long? What took you all night?

What took you forever to see I'm right?

You know, I treat you so good, I make you feel fine

You know, I'll never give it up this time oh, no, noOh, you touched my heart right from the start

You didn't know what to say

(Didn't know what to say)

But, honey, I understand

When you take my hand everything's okay'Cos, baby, I believe reality

It's never far away

I've had enough, so listen, baby

I've got something to sayWhat took you so long? What took you all night?

What took you forever to see I'm right?

You know, I treat you so good, I make you feel fine

You know, I'll never give it up this timeWhat took you so long?

(What took you so long?)

What took you all night?

(What took you all night?)

What took you forever to see I'm right? You know, I treat you so good

(I treat you so good)

I make you feel fine

(I make you feel fine)

You know, I'll never give it up this time, oh, no, noBaby, I believe in honesty

And then be strong and true

I shouldn't have to say now, baby

That I believe in youWhat took you so long? What took you all night?

What took you forever to see I'm right?

You know, I treat you so good, I make you feel fine

You know, I'll never give it up this timeWhat took you so long?

(What took you so long?)

What took you all night?

(What took you all night?)

What took you forever to see I'm right? You know, I treat you so good

(I treat you so good)

I make you feel fine (I make you feel fine)

You know, I'll never give it up this timeWhat took you so long?

(What took you so long?)

What took you all night?

(What took you all night?)

What took you forever to see I'm right?You know, I treat you so good

(I treat you so good)

I make you feel fine

(I make you feel fine)

You know, I'll never give it up this time, oh, no, no
