Call Of The Wild

Midge Ure

Outside wild winds are calling
Broken leaves are fallingOutside wild winds are calling
Broken leaves are falling
Like I fall before you
Outside nightfall is returning
Our home fires are burning
Like I burn before youWind and rain may blow
Will we watch them come and goDon't go, and in my heart
I held you just for a while
Don't go, and in my eyes
I see the love of a child
Don't go, you can't deny
You feel the call of the wild
(Call of the wild)In your hand a heart is falling
A howling wolf is calling
And it's calling your name
And before the night is ending
The message that it's sending
Will it all be in vainSay that you will stay
And we'll watch them come and goDon't go, and in my heart
I held you just for a while
Don't go, and in my eyes
I see the love of a child
Don't go, you can't deny
You feel the call of the wild
(Call of the wild)As the wailing winds are calling
And the broken leaves are falling
And the magic that surrounds you
I will build a world around youDon't go, and in my heart
I held you just for a while
Don't go, and in my eyes
I see the love of a child
Don't go, you can't deny
You feel the call of the wildDon't go, and in my heart
I held you just for a while
Don't go, and in my eyes
I see the love of a child
Don't go, you can't deny
You feel the call of the wild
