I Believe In Love

Syleena Johnson

See it ain't easy for me to open my heart
And trust a total stranger
But I still believe that love would never
Put my heart in any dangerAnxious to see the final one who just wants
To show me how beautiful love can be
And even though I am scared I know that he's out there
Just waiting to set me freeLike a flower waits to bloom in May, I'll be patient
'Cuz I believe in love
I'll stand alone but I won't give up, I'll be patient
'Cuz I believe in loveEven through the fears even through the pain, I won't run away
'Cuz I believe in love
And eventually love will bring to me the one for me
'Cuz I believe in loveSome say that I should be bitter and untrustworthy
From all that I've been through
But why should I turn on love when it's never turn on me
It's never been untrueAnd just 'cause somebody didn't know how to treat me
Doesn't make love to blame
It just means I haven't met my ulitmate soulmate yet
And for that I'm willing to waitLike a flower waits to bloom in May, I'll be patient
'Cuz I believe in love
I'll stand alone but I won't give up, I'll be patient
'Cuz I believe in loveEven through the fears, even through the pain, I won't run away
'Cuz I believe in love
And eventually love will bring to me the one for me
'Cuz I believe in loveI believe in me, I believe in you
I believe in dreams
I believe in faith, I believe in loveLike a flower waits to bloom in May, I'll be patient
'Cuz I believe in love
I'll stand alone but I won't give up, I'll be patient
'Cuz I believe in loveEven through the fears, even through the pain, I won't run away
'Cuz I believe in love
And eventually love will bring to me the one for me
'Cuz I believe in loveLike a flower waits to bloom in May, I'll be patient
'Cuz I believe in love
I'll stand alone but I won't give up, I'll be patient
'Cuz I believe in loveI believe in love, do you believe in love?
Set me free, love, love, love, loveLike a flower waits to bloom in May, I'll be patient
'Cuz I believe in love
I'll stand alone but I won't give up, I'll be patient

'Cuz I believe in loveEven through the fears, even through the pain, I won't run away
'Cuz I believe in love
And eventually love will bring to me the one for me
'Cuz I believe in love
