

Blow Yo' Whistle, Freight Train

The Delmore Brothers

[instrumental intro]

Chorus:

Blow yo whistle freight train
Take me on down the line
Blow yo whistle [yodel] (len-hee-hee)
Got rambling on my mind.

[Instrumental chorus]

That old freight train moving along to Nashville
Hold a charm that is a charm for me
Makes me think of good old boomer days gone by
Makes me feel so lonely donâ€™t you see.

Chorus:

Blow yo whistle freight train
Take me on down the line
Blow yo whistle [yodel] (len-hee-hee)
Got rambling on my mind.

[Instrumental chorus]

Got a feeling that Iâ€™ll want to ramble
Still I know that that can never be
Guess Iâ€™ll have to listen to that old smoke stack
Singing out this lonely song for me.

Chorus:

Blow yo whistle freight train
Take me on down the line
Blow yo whistle [yodel] (len-hee-hee)
Got rambling on my mind.

[Instrumental chorus]

Chorus:

Blow yo whistle freight train
Take me on down the line
Blow yo whistle [yodel] (len-hee-hee)

Got rambling on my mind.
