Another Night (Single Version)

Camel

Another Night
(Camel)
Dark clouds before our eyes
Can't face the morning skies
Day comes a day too soon
I'm waiting for that silver moonMaybe I'm wrong
But I'm feeling like another night
Would make it alrightTwilight is fading through
Seems like I'm fading too
How can I believe it's real
When nothing starts to stop this wheel?Andrew Latimer: Guitar, Lead Vocals
Peter Bardens: Organ, Synthesizer
Doug Ferguson: Bass
Andy Ward: Drums
