On Fiya

Bow Wow

You can catch me ridin through the streets sittin' low.
You can feel the bass bumpin out my cherry six four.
Cruisin at about sixty just to let my hair blow.
If you know me then you know I'm about my dough.
I'm ridin on spinners so you know they gonna (chop).
I'ma stay on top and you know that ain't gon' (stop).
When it come to competition man I blow 'em out the (bar).
Bow Wow the boy, so fresh so (fly).
I've been makin money so my bank on swole,
Hottest thang out since I was five years old.
Every time I do a show, you know its sold out.
Any time I'm in your city I'ma shut the thing down.
I'm far from a lame just to let you suckas know,
I'ma show you how to stunt with them suicide doors.
And you know that I'm a pimp, if ya didn't know you know.
If ya chick lookin' at me please believe she gonna go.[Chorus: x2]
Now when I walk up in the club I'm lookin' so fly.
I got 26's homie, sittin' on the ride. Wanna talk about girls?
I got 'em on the side. When it comes to this rap thing man I'm on fiya.I'm known from hood to hood, town to town.
Ask around man, they all know how I get down.
