I Can't Get Started

Don Rendell

I've flown around the world in a plane
I've settled revolutions in Spain
The North Pole I have charted
But I can't get started with you
And at the golf course I'm under par
And in Hollywood they want me to star
I've got a house such a show place
But I can't get no place with you
You're so supreme
Lyrics I write of you, scheme
Just for the sight of you, dream
Both day and night of you
But what good does it do?
In 1999 I sold short
In England, I'm presented at court
Yeah, you've got me so down hearted
'Cause I'll never get started with you
You're so supreme
Lyrics I write of you, scheme
Just for the sight of you, dream
Both day and night of you
But what, what good does it do?
I've been consulted by Hilary C.
And Tina Turner's had me to tea
But now I'm broken hearted
'Cause I can't get started with you
Yeah, I'm broken hearted
'Cause I can't get started with you
