

# This Could Be The Year

[Ryan Star](#)

This could be the year.

This could be the moment you've been waiting  
Your whole life to show the world the cards you're holding.It's one life,

One dream,

One spark.

It's one chance,

One move,

One shot.

It's on you

Be cool,

Be real.This could be the year.

This could be the moment you've been waiting  
Your whole life to show the world the cards you're holding.It's one life,

One wish,

One fire.

It's one choice,

One voice,

Saying get higher.This could be the year.

This could be the moment you've been waiting  
Your whole life to show the world that you are ready.Hold your head up high and touch the sky,  
'cause you know this is everything, everything.

Take your shot it's all you've gotta be.This could be the year.

This could be moment.

This could be the year, I know it.This could be the year.

This could be the moment.

This could be the year, I know it.
