

On The Shoreline (1991, We Can't Dance Sessions)

Genesis

Well, theres a place where two worlds collide
The pile of stone against the pull of the tide
You could stay with your feet on the ground
Or step into the water, leave the dry behind
On the shoreline, meet me on the shoreline
Where you can only swim if you try
Well, if theres somewhere on the other side
It might be better, it might be as bad
Someday soon youll have to make a move
'Cause you cant stay forever, ah just waiting
On the shoreline, meet me on the shoreline
Take me over, lead me
through
Well, can you take me there to the other side
Where everything is new, uncertain and strange
Dont ever let me go till were there
I dont know what it is Im looking for
And until its found I wont be sure
Well, there are squares in the game of life
When you can keep on moving or turn aside
Yes, there are times when you have to decide
To put your feet in the water or stay
On the shoreline, meet me on the shoreline
Where you can only swim if you try
Ill be there, oh, on the shoreline
Ill be there on the shoreline
Where you can only swim if you try
Ill be there, Ill be there, oh
Yes, Ill be there, Ill be there
