The Ghost Woman and the Hunter

Lacuna Coil

Staring at the sun no rays down on me I call you in my arms embrace is unreal. Your moving on we'll never be apart just drain my tears I cry aloud. You're moving on You'll never be apart of all my tears I cry aloud. Calling on your sins You're here in my dreams a desert place I'm not alone.Do you really want to be me?You're moving on We'll never be apart again just drain all my tears I cry aloud. You're moving on You'll never be apart of all my tears I cry aloud
