

# The Sky Is Crying

Gary Moore

The sky is crying  
Look at the tears rollin' down the street  
The sky is crying  
Look at the tears rollin' down the street  
I've been lookin' for my baby  
I wonder where that baby can be  
I saw my baby one mornin'  
And she was walkin' on down the street  
I saw my baby one mornin'  
And she was walkin' on down the street  
Well, it hurt me so bad  
It made my poor heart skip a beat  
Got a bad, bad feelin'  
Baby don't love me no more

I've got a bad, bad feelin'  
Baby don't love me no more  
The sky is crying  
Look at the tears rolling down my nose  
The sky is crying  
Look at the tears rollin' down the street  
The sky is crying  
Look at the tears rollin' down the street  
I've been lookin' for my baby  
I wonder where my baby can be  
The sky is crying  
Look at the tears rollin' down the street  
Sky is crying
