Every Night

Phoebe Snow

Every night I just wanna go out
Get out of my head
Every day I donâ€™t want to get up
Get out of my bed

Every night I want to play out
Every day I want to do
But tonight I just want to stay in
And be with you and be with you

Every day I lean on a lamp post
Iâ€™m wasting my time
Every night I lay on a pillow
Iâ€™m resting my mind

Every morning brings a new day
Every night that day is through
But tonight I just want to stay in
And be with you, hey and be with you, hey hey

But tonight I just want to stay in
And be with you and be with you

Every night
Every night
Every night
