It's Been So Long

HorrorPops

It's been so long since we said goodbye

I guess that's the reason why I sit and cry

I miss you, baby, every day and night

It's been so long since I held you tightEverything's different since you went away

I get so lonely every night and day

I can't help feeling that you ought to know I love you baby and I miss you soNothin' ever seems the same

My sunshine has turned to rain

Every time I hear your name

My heart becomes a burnin' flameIt's been so long since we said goodbye

I guess that's the reason why I sit and cry

I miss you, baby, every day and night

It's been so long since I held you tightIt's been so long since we said goodbye

I guess that's the reason why I sit and cry

I miss you, baby, every day and night

It's been so long since I held you tightEverything's different since you went away

I get so lonely every night and day

I can't help feeling that you ought to know

I love you, baby and I miss you soNothin' ever seems the same

My sunshine has turned to rain

Every time I hear your name

My heart becomes a burnin' flameIt's been so long since we said goodbye

I guess that's the reason why I sit and cry I miss you, baby, every day and night It's been so long since I held you tight
