

# Mirror

## Girlicious

Don't know who I am no more  
For you I try to change  
Keep messing with my head  
Wanna be myself insteadIt has been too hard on us  
Thought we were so in love but I was wrong  
You didn't want what I wanted  
And I've had enoughHad enough of playing games  
The lies you said  
The reason that I must let go  
The things you put me throughYou may never know  
I know why it's taking all of this time  
You're the reason why I cry  
Now I know why I can't seeI can't see the girl you want me to be  
When I look in the mirror  
(When I look in the mirror)  
You don't know what you want so I'll leaveI have got to be me  
(I've got to be me)  
'Cause what you want isn't me in the mirrorYou say you love me but  
I think you see someone else  
Always reminding me  
That I'm not perfect enough for you, boyI deserve so much more  
I can't keep you happy  
If I ain't happy myselfHad enough of playing games  
The lies you said  
The reason why I must let go  
The things you put me throughYou will never know  
I know why it's taking all of this time  
You're the reason why I cry  
Now I know what I can't seeI can't see the girl you want me to be  
When I look in the mirror  
You don't know what you want so I'll leave(What do you want me to be)  
I have got to be me  
'Cause what you want isn't me in the mirrorI wanna love someone  
Who loves me for me, yeah, for me, yeah  
I wanna love someone  
Who loves me for, for me  
I can't see the girl, noI can't see the girl you want me to be  
(I can't see)  
When I look in the mirror

You don't know what you want so I'll leave  
I have got to be me  
'Cause what you want isn't me in the mirror  
I can't see the girl you want me to be  
(What I wanna be)  
When I look in the mirror  
(Look in the mirror)  
You don't know what you want so I'll leave  
(I gotta leave)  
I have got to be me  
'Cause what you want isn't me in the mirror
