Mirror

Girlicious

Don't know who I am no more
For you I try to change
Keep messing with my head
Wanna be myself insteadIt has been too hard on us
Thought we were so in love but I was wrong
You didn't want what I wanted

And I've had enoughHad enough of playing games

The lies you said

The reason that I must let go

The things you put me through You may never know I know why it's taking all of this time

You're the reason why I cry

Now I know why I can't seeI can't see the girl you want me to be

When I look in the mirror

(When I look in the mirror)

You don't know what you want so I'll leaveI have got to be me (I've got to be me)

'Cause what you want isn't me in the mirrorYou say you love me but

I think you see someone else

Always reminding me

That I'm not perfect enough for you, boyI deserve so much more I can't keep you happy

If I ain't happy myselfHad enough of playing games

The lies you said

The reason why I must let go

The things you put me through You will never know

I know why it's taking all of this time

You're the reason why I cry

Now I know what I can't seeI can't see the girl you want me to be

When I look in the mirror

You don't know what you want so I'll leave(What do you want me to be)

I have got to be me

'Cause what you want isn't me in the mirrorI wanna love someone Who loves me for me, yeah, for me, yeah

I wanna love someone

Who loves me for, for me

I can't see the girl, noI can't see the girl you want me to be

(I can't see)

When I look in the mirror

You don't know what you want so I'll leaveI have got to be me 'Cause what you want isn't me in the mirrorI can't see the girl you want me to be (What I wanna be)

When I look in the mirror
(Look in the mirror)You don't know what you want so I'll leave
(I gotta leave)
I have got to be me

'Cause what you want isn't me in the mirror
