This Time

Burning Heads

I thought you had it all
It's agame that I just can call
Can you tell me what's behind that face
There's something here that I just can't traceI thought you had it all
You and I'd be the perfect twins
Nice birds above the ground
But nothing is what it seemsI just don't get it
Something just ain't net
Nice birds Bright colours
Are the ones I can't trustBut this time you never told me what was behind that smile
This time there's something that I never getI thought you had it all
You and I'd be the perfect twins
Nice birds above the ground
But nothing is what it seemsI just don't get it
Something just ain't net
Nice birds Bright colours
Are the ones I can't trustBut this time there is something that I never get
This time and I don't think it's worth another chance
This time worth another chance
